## Contest for Best Activities in May

*All we wish for our members is to pursue their passion and share the experience with other global minds — wherever they are in the world! As an Albatross Member, you can post activities in groups you've joined, and in May, you'll have a chance to take part in our worldwide contest for the best activities organized during that month.*

Each activity hosted in May can be submitted in one of nine categories. They can be interpreted broadly, so get creative, make your activity stand out, and attract members to sign up! We'll be voting for the best activity in each category and there are cool InterNations-themed prizes waiting for the winners. Just make sure that your activity is in line with our [Activity Guidelines](#). To submit an activity, use the cover picture relevant to the category:
